

COMPUTER/INTERNET CONSENT FORM

Please sign and return this form to the Teen Zone.

Parent/guardian consent is required before your child can use the computers and Internet in the Teen Zone. By signing, you and your children acknowledge that you understand the following rules and guidelines:

- Always maintain proper use of lab equipment.
- Always follow the facility manager's instructions.
- Always remember you are responsible for what you do online.
- Never give your personal information to another person.
- Never agree to meet in person with anyone you connect with online.
- Don't visit "off-limits" and adult-oriented websites.

Any student who fails to follow the rules could receive a warning, suspension or be prevented from using the computers. Parent and guardians will be notified if a child violates any of the rules, and will be given the option of restricting their child to non-Internet and computer activities.

I have spoken to my child about the importance of following the rules governing use of computers and the Internet in the Teen Zone. I give permission for my child to use the computer and access the Internet.
