

Proviso Handyman Department

November

Winter is fast upon us! If you have not called to have your home winterized call NOW! The weatherproofing is best done before the cold weather sets in to ensure the caulk or plastic covers will adhere for the winter season. Have your filter in your furnace changed to help your furnace run efficiently. Last call for work that needs to be done on anything outdoors (lightbulbs, light fixtures, furniture put away, rain barrels put away, spigots covered for winter). The Proviso Township Handyman Program serves homeowners over the age of 60 and disabled homeowners who are residents of Proviso Township.
