

The Village of Bellwood is seeking Volunteers to join the Homeland Security and Emergency Management Agency (DHSEM).

DHSEM is made up of citizen volunteers who receive ongoing training to assist the Village of Bellwood in the case of emergencies and disasters.

DHSEM is a public safety agency alongside the village's Police and Fire departments. DHSEM is dedicated to preparing for, responding to and recovering from major emergencies and disasters.

One of DHSEM's responsibilities is to educate the public with preparedness training so people will know what they can do to help themselves before, during and after a disaster strike. Residents are encouraged to become more involved with our preparedness efforts by getting directly involved as a volunteer Emergency Response Team member.

New BDHSEM Volunteers must complete the below requirements:

- ☐ Must be at least 18 years of age
- ☐ Successful completion of background check
- ☐ Must have a valid Illinois driver's license
